Ali: [inaud] I swear that's gonna be off my shit.  
[inaud], you know what I mean?

Male 2: Yeah, I think it's ah, I think it was [inaud]  
Xanax or... They didn't say.

Ali: Huh?

Male 2: Yeah.

Ali: I mean, I sold Percs to him, man. He, he like, know  
what I mean? He does a lotta pills. He's a pill head.  
[inaud]

Male 2: Goddamn, though, yeah. Dude, that's probably  
what killed him right there.

Ali: He probably just [inaud] fucked up.

Male 2: It was bad ones. They do be getting, they be  
getting some bad ones though.

Ali: It's just, he got a bad one, you know I mean?

Male 2: Sometimes -- I heard like, when you get pills  
like those...

Ali: You know, all of 'em must be good. Just a couple  
of 'em are like bad, bad ones, you know what I mean?

Male 2: Yes, those hot spots.

Ali: Yeah, like, yeah. He probably got a hot spot one.  
And he did some Perc [inaud]. But, like they really tried  
to like raid my house and tear up my shit. But they  
didn't find shit because I had nothing in my house but  
some Percs. They didn't even charge me for that shit yet.

Male 2: With what?

Ali: For the Perc.
